

Personal Loss Prevention Plan for 2010

Risk Recognition = Loss Prevention

Your 2010 Personal Loss Prevention Plan will include your personal risk assessment and what action **you** will take to mitigate your risk, keeping yourself and others safe and preventing loss. It does not have to conform to any specific format and there is no set number of risks or actions.

The only criteria for a Personal Loss Prevention Plan are: identifying your risk, taking action to address the risk and having people recognize your loss prevention efforts in action.

Your Personal Loss Prevention Plan should be focused on you, your behavior and accountability.
